Transocean Marine & General Survey Agencies is an India based Marine Cargo, Marine Hull and Machinery (H&M) and Fire (Property) surveying firm. Established in 1987 and headquartered in Navi Mumbai, India, Transocean Marine & G.S.A has presence across Maharashtra and Gujarat in close proximity to major port cities to cater to various clients and Insurance companies.

Mission: -

Transocean Marine & General Survey Agencies is a premier marine and Fire (property) surveying firm in India and strives to render sound technical analysis as Loss Assessors and Adjusters to our principals and clients. Transocean Marine & G.S.A commits to the provide professional services locally, nationally and internationally in utmost transparent, prudent and diligent manner.

Transocean Marine & G.S.A core values are Knowledge, integrity and Expertise and commits to continually and professionally develop its team's knowledge, skills and information base.

Vision: -

We aim to be one of the best marine surveying services provider and a global "one stop solution" catering to insurance and liabilities market worldwide.

History: -

Transocean Marine and G.S.A was started under proprietorship of Mr. A.M.Gawarikar, Ex-Indian Navy Artificer, and under his able leadership it has expanded from Mumbai to more than 6 cities across Gujarat and Maharashtra to Surat, Vadodara, Ahmedabad, Gandhidham, Kandla and Mundhra.

Mr. A.M.Gawarikar is an “A “category surveyor recognized as trail-blazer Cargo & Hull & Machinery Insurance Surveyor. He is invited to National Insurance Academy, Pune and various training centers & by private & public sector insurance companies to exchange his views on Marine cargo & hull and machinery claims, frauds, underwriting and project cargo Insurance management. He was asked to write course book on the subject “cargo loss prevention” & this book is used as course book for associate ship examination of Insurance Institute India, Marine Branch till date.

With over collective experience of more than 27 years in Marine Insurance surveying, our team of more than 15 surveyors strives constantly to provide the best of services to clients and Insurance companies, exceeding their expectations, and always working in conjunction maintaining utmost transparency and reporting prudently and without prejudice.

Personnel: -
